## C&H Break

### Product Description

C&H Break is ready-to-use liquid spray formulated for general cleaning and degreasing of all hard surfaces. Break's enhanced grease cutting formula is often effective without scrubbing, just spray and wipe clean. Break removes greases, oils, inks, some aerosol paints, and some non-resistant enamel paints. It is harmless to automotive paints, commercially applied equipment paints, and cured latex wall paints in normal use. Break can be used in all areas of your facilities including: the office, factory, shop, vehicle, bathroom, and kitchen.

### Performance Features

- Water based formula with the grease cutting power of butyl
- Non-Flammable
- Phosphate Free

### Physical Specifications

Physical State	Liquid
Appearance	Clear to Light Yellow
pH	11.5
Rinsability	Excellent

### Equipment Requirements

C&H Break can be used with any standard spray bottle.

### Product Make-Up

C&H Break is a ready to use product. Do not dilute.
